#### Match Meal

Pie and Chips with a choice of 6 pies and at least 6 beers/cider or lager to choose from. The food was served with a selection of vegetables in a hollandaise cheese jus and chips. It was an excellent meal, piping hot and very tasty. There were many compliments and cries of Oliver Twist for more.

In all it was an excellent day enjoyed by all those that attended.

We look forward to 2020 when the invitation event will be at Dudsbury where we hope to attract even more entrants. Come on, bring a mate and have a good golfing day out.

It was a good day's golf on a course which tested all due to a stiff NW wind blowing but it was sunny and warm. The course in good condition, convivial company followed by a decent beer and great food. What more do you need to have a fun day? Hope to see more play next year and congratulations to John Skinner and Ian Martin on winning the event and holding the MillsMobb Putter Trophy.
