## Newsletter February 2021

### New 50<sup>th</sup> Anniversary Shirts

Here is a picture of our Clothing Organiser David Recardo in a sample shirt with the new badge. The Committee has approved this for production and David has sent our first large order based on the requests you made in the on-line form, so we will have stock when we plan to hand the new shirts out on 12<sup>th</sup> May at our 50<sup>th</sup> Anniversary celebration event.

### Match Selections

This year we changed from a paper-based system to an on-line match registration form, part of which was a shirt request for our new shirt.

With the loss of 36 team places in two Saunton events, offset by 12 new team places in the Devon Captains Challenge at Stover, this year there have been less match places to offer and we have had to spread the matches more thinly amongst our players. You will see a summary of the teams and reserves we have selected on our website, please follow the link in the red box on our new website [www.dorsetgolfcaptains.org.uk](http://www.dorsetgolfcaptains.org.uk)

The Selection Committee has met its objective of giving everyone at least one of their first two choices. Most players will find they have two or three matches and are listed as reserve for several more.

At this stage last year we asked team players for a deposit to confirm their commitment to the matches for which they had been selected. For the time being I will not be asking players for deposits and may come back to this matter at a later date, depending on future circumstances. Lets see what the roll-out of vaccines and the end of lockdown brings.

Please mark your diary with matches you have been selected and keep fingers crossed!

### Other Events

I intend to distribute entry forms for our 50<sup>th</sup> Anniversary event (12<sup>th</sup> May), Presidents Day (27<sup>th</sup> May), Mixed Greensomes (13<sup>th</sup> July), President's 9-hole comp. (22<sup>nd</sup> July), Captain's Day (23<sup>rd</sup> August) and Invitation Day (8<sup>th</sup> September) about 6 - 8 weeks before each event.
