

Captains Update

29th August 2021

Fellow Dorset Captains,

How time flies. It is nearly September already, where has 2021 gone!!!

Following my last update I bring you the results from our matches and events during August. A valiant effort from our team on Tuesday August 3rd led by my Vice Captain away to Somerset Captains at Oake Manor was a very creditable 5-3 loss. The following day we entertained Gloucestershire Captains at Wareham GC and managed to win 5-3. This match concluded our games against other Counties with a record of played six, won 4, drawn one, and lost one. Many thanks to all who played and supported the matches.

On Friday August 6th, we had our Annual match against the Ex-Lady Captains where we were again victorious 6-2. A match played in very benign conditions for Bridport GC, played in good spirit with a lovely two course meal after play.

August 23rd brought my Captain's Day at the Dorset Golf & Country Club with 40 participants, played in good weather and conditions, with again a lovely two course meal after play. Victorious on the day was Tony Vincent with 40 points winning the Captain's Prize and the Les Watson Trophy.

Tony receiving his prize.

Two days later we were at Dudsbury GC for our 50th Anniversary Celebration Day. We had eleven teams of four playing a two scores to count Bowmaker. Again the weather was very favourable and the course in good condition. Following the competition we had 63 attending a three course meal with speeches from the President and Captain and a prize presentation.

Winning team of Mike Savage, Chris Langston, Trevor Leaton & Ron Rogers, along with our President

September starts with the Invitation Day played at Came Down GC where there are 14 pairs playing. The following day is President's Day played at Brockenhurst GC with 42 participating.

Looking further ahead we have our Annual Dinner at the Dorset Golf & Country Club on November 19th. Guests are welcomed this year with the cost for a three course meal with a glass of wine remaining at £35pp. Apart from the AGM at the beginning of December, the Annual Dinner will be the last event to celebrate our 50th Anniversary.

Details and menu will be sent out shortly for the Annual Dinner where our guest speaker will be, renowned after dinner speaker, Adger Brown.

Best wishes
Peter Foster
DGC Captain 2021
