Summary of DGC Committee meeting held 17th February 2022

The meeting was held at the Dorset G&CC and there were 10 committee members present.

Co-option of Derek Grimes

The elected committee members unanimously co-opted Derek Grimes onto the committee.

Investiture of incoming President and Captain

The 2021 AGM was inquorate and elections had been by subsequent on-line voting. The newly elected President Bill Kent and Captain David Woodroffe were invested with their regalia by their predecessors and photographs were taken.

Selection Committee outcome

65 members had registered for matches and there were 184 places available in matches this year, 5 of which would be offered to the home course captains. The Selection Committee had met and selected the teams for inter-county matches based on member match rankings, using a draw if a match was over-subscribed. The result was believed to give all members at least one of their first two choices. The Captain had selected the 4-Counties and St Pierre Trophy teams.

Inter-county hospitality

It was decided to invite county guests to our annual dinner again this year.

6-Counties event

Devon Golf Captains intend to begin a 12-a-side 6-Counties event at Stover in 2023 to replace the now discontinued Saunton West Of England event.

Match against the County Juniors

It was noted there was a trophy for this match, but the match had not been played for several years. The Secretary was asked to contact the County to see if this could be resumed in 2023.

AGM quorum

The 2021 AGM having been inquorate, the committee discussed ways to ensure the AGM might take decisions in the future. The Secretary was asked to draft a resolution for on-line voting for further discussion by the Committee, with a view to proposal to the membership at the next AGM.

Pairs better-ball knock-out competition

A better-ball KO competition was suggested and member's views would be sought.
